January each year

Dear Scholarship Coordinators, 4-H Program Coordinators, and FFA Advisors;

The Nevada Agricultural Foundation (NAF) is pleased to offer our current **Education Assistance Awards (EAA) program**. To acquire the EAA information and application forms, please visit our website at: www.nevadaagriculturalfoundation.org. Click on Forms page and it will take you to the information and downloads that are needed to apply for our awards. Files that will be of interest to students are:

- NAF Educational Assistance Award Application (for students that have not received a NAF award previously)
- NAF Educational Assistance Award Renewal Application (for students who are current or past recipients of a NAF award)
- Application Checklist

Each year the Nevada Agricultural Foundation awards over \$50,000 in Educational Assistance Awards to deserving Nevada students. The Scholarship Committee will give consideration only to applicants who document intent to follow an agricultural curriculum. Award recipients must enroll within the year awarded (by Fall semester) or forfeit the award. If a student cannot meet requirements for the award during any year of the award, the award will be forfeited. The recipient is eligible to reapply when they can meet the requirements. NAF provides various awards with a minimum of \$2000 per academic year for students receiving awards. Some awards are restricted as to major fields of study within an agricultural curriculum. Also, please note the **applications must be postmarked by: March 15.**

**Mail completed applications to: Nevada Ag. Foundation
Educational Assistance Awards
P.O. Box 8089
Reno, NV 89507**

Applicants must provide **complete** forms that comply with the items on the Application Checklist - worthy applicants will be eliminated from consideration if they have failed to sign their application and/or send their transcript.

Notification to successful applicants should occur about April 10.

We appreciate any help you can provide in distributing this information to interested graduating high school students of your school(s), class, or organization.

Thank you for your assistance.

Sincerely,

Sue Hoffman
