

Tour Rural Nevada with the Nevada Agricultural Foundation

Saturday October 6, 2018

8:30 a.m. to 5:30 p.m.

Jump on the bus and ride in air-conditioned comfort as you learn about the Agricultural history and innovations of the Truckee Meadows and Carson Valley.

The Carson Valley is one of the most scenic areas of Nevada. It has a rich history and embraces a dynamic future.

The Carson Valley is a mixing pot of numerous cultures. It was settled early on by the Basque, German and Danish peoples., all of which have played a significant role in the dynamic area it is today. The Carson Valley is home to vast farm/ranch lands, modern technology and a wide array of wildlife.

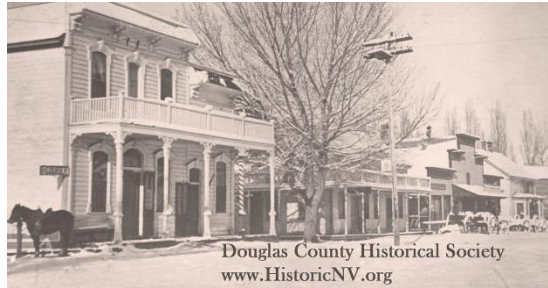

The town of Genoa, originally named Mormon Station, is the oldest permanent non-native settlement in Nevada founded in 1851.

Discover detailed information on Kit Carson and Snowshoe Thompson, the Pony Express, and the Emigrant Trail.

Learn about the Historic Ranch One, which was established as part of Nevada's early settlement, and still in operation today.

Enjoy a Basque style lunch at the historic J.T. Basque Bar and Dining Room, which will include locally sourced products.

Be one of the first to tour Bently Heritage, a fine estates distillery.

It is a *"Toast to Tradition —Over a Century in the Making"*.

The distillery is housed in the more than 100-year-old Minden Flour Mill which is on the Register of Historic Places.

You will be able to learn about a truly unique farm to flask operation in that we will also tour Bently North Ranch where they grow and malt the grains that go into the distilling process.

Bently Ranch also uses many efficient and sustainable practices that enhance their overall operations of crop and livestock production.
