The Nevada Agricultural Foundation is planning to award over \$50,000 in Educational Assistance Awards to deserving Nevada students. The Scholarship Committee will give consideration only to applicants who document intent to follow an agricultural curriculum. Award recipients must enroll within the year awarded (by Fall semester) or forfeit the award. If a student cannot meet requirements for the award during any year of the award, the award will be forfeited. The recipient is eligible to reapply when they can meet the requirements. Some awards are restricted to major fields of study within an agricultural curriculum.

The deadline for applications is March 15. *(If mailed, must be postmarked by March 15).
